

ACADEMY OF PRAYER COURSE OVERVIEW

ABOUT THE 'ACADEMY OF PRAYER':

The Academy of Prayer is a thorough training course written, compiled and presented by Leon Coetzee with the purpose of equipping believers and intercessors in biblically based prayer and intercession.

MODULE 1, 2 AND 3:

The Academy of Prayer consists of three modules of comprehensive training that build systematically on one another from a foundational level and are designed to take people from basics to a more advanced and mature level of understanding and prayer functioning.

The course is aimed at the entire Body of Christ and especially those who desire to be used by God in prayer and intercession.

Leon Coetzee has been presenting the Academy of Prayer for the last 20 years and the course has proven to be a very effective tool in imparting clarity to many believers on the importance and priority of prayer in the advancement of God's kingdom.

Luke 11:1 - *'Now it came to pass, as He was praying in a certain place, when He ceased, that one of His disciples said to Him, "Lord, teach us to pray, as John also taught his disciples."*

*"I would rather train twenty men to pray, than a thousand to preach;
A minister's highest mission ought to be to teach his people to pray." – H. MacGregor*

"This much is sure in all churches, forgetting party labels; the smallest meeting numerically is the prayer meeting. If weak in prayer we are weak everywhere." – Leonard Ravenhill

SOME TESTIMONIALS FROM PREVIOUS COURSE PARTICIPANTS

"Life changing! Very insightful, and a huge blessing!"

"Any person who feels intense about his prayer life will get amazing value from this."

"I always thought I could pray, in fact I loved praying and saw no need for the course. But I could not have been more wrong! Getting biblical teaching and constant practical examples that help you understand the content is phenomenal. It has changed the way I pray and view prayer."

"Before this course, the concepts dealt with have always been explained in such a superstitious manner with no clear or satisfactory explanation. What this course does differently is using scriptures and analysing each aspect. Practical examples are used to help with the understanding of the content. The concepts are organised in such a way to make them easy to understand and remember. It is fundamental that each believer does this course and understand their position and responsibility."
