2. Establish Prayer Altars
 - Corporate: Shift monthly prayer meetings into altar-style gatherings (no fixed end time, Spirit-led).
 - Personal: Encourage individuals to set up prayer altars at home.
 - Teaching: Provide inspiration and testimonies to guide others, not pressure.
3. Practice Spirit-Led Prayer
 - Wait on God before opening “files” (city, nation, community issues).
 - Avoid fear-driven or human-led prayer mobilization.
 - Let worship and ministering to God be the foundation.
4. Fasting & Humility
 - Integrate fasting as a regular practice to express humility.
 - Teach that fasting is part of true worship and dependence on God.
5. Evangelism Flowing from Prayer
 - Support outreach initiatives (Pretoria CBD, Hatfield, student groups).
 - Begin with worship and altar ministry before engaging in evangelism.
 - Encourage prophetic ministry as part of outreach.
6. Unity & Teaching
 - Use corporate meetings to teach altar principles and simplicity.
 - Invest in unity movements across churches and communities.

Immediate Next Steps

1. Schedule first altar-style monthly prayer meeting (suggested on a Friday night).
2. Prepare short teaching/testimony on prayer altars for the group.
3. Encourage members to set up home altars and share experiences.
