

Feedback on Pray4Tshwane first prayer gathering for 2026

Believers from across the city came together on 21 February 2026 at 19h00 at Eastside Community Church for the first corporate prayer meeting this year that will be facilitated by Pray4Tshwane for our city.

The evening started with worship led by Willem Gouws after which Past. Jean Symons (photo right), Leader of the Love Tshwane Leadership Initiative and Doxa Deo Team Leader, spoke to us about the importance of praying for our city.

Past. Riaan Niemand, pastor of the hosting church led us in our first prayer topics for the evening after which two young people (Samora Qwasha & Chanté Viljoen) working among the youth in the east of the city facilitated further prayer themes. The gathering of more than 50 believers then prayed for the young people present, pleading with God to direct them into kingdom purposes and breakthroughs.

After more worship, city intercessors (Leon Coetzee & Theresa Trumpelmann (photo left)) led the gathering in prayer for the pastors of Tshwane, the intercessors of our city, and for different forms of bitterness that needs cleansing in the hearts of the inhabitants of our city.

Participants concluded their prayer by speaking blessings over the leadership and local government of Tshwane.

We pray that the Pray4Tshwane corporate prayer meetings will grow from strength to strength and that city believers will come together in greater numbers in the months and years to come to intentionally and constantly intercede for our city and its people.

May His kingdom come and His will be done in Tshwane as in heaven!
