

DEVELOPING PRAYER STRATEGY TRAINING

BACKGROUND:

When we want to do strategic prayer in our communities, cities or other nations we must learn how to hear from the Holy Spirit and we must become experienced in how to work with the words we received to develop a practical and God directed strategy to do our prayer work.

This gives rise to effective prayers that bring forth greater results for the name of Christ and the establishment of His kingdom.

Teachings by Leon Coetzee

Cost: R250.00

Includes: 1x set of MP3 audio download and 1x notes PDF download
