Rehearsing God’s wonders flowing from a call of intercession

DESCRIPTION:

This book is a compilation of testimonies and glory stories by UPFSA participants.

Book title: Partnering with Majesty - Rehearsing God’s wonders flowing from a call of intercession.

Cost: R300.00 - Available from UPF.

CONTENT:

This 386-page book contains 41 testimonies written by 16 believers who participated in UPF processes over the last decades. They recount the adventure, miracles and supernatural interventions of God in their obedience and faith walk to fulfil an intercessory calling, personally, in communities and the nations.

This is the first batch of testimonies that were documented. More will follow in the next few years. We believe God needs to get the glory for the myriad of things He has already done in our lives and UPF ministry projects. He assures us that recounting our God experiences will provide great encouragement to believers in their own walk with God and ministry work in the kingdom.

BOOK REVIEW: DR. BENNIE MOSTERT

As I was reading this book, I thought about the Chinese proverb that says: "Even a short pencil is better than a long memory."

This book is about looking back and remembering, but I also realised it is actually a "training manual" on prayer. Stories are the best trainers. I have to admit that I have a bias towards stories! This is how I learn - and I am sure you will also.

Thirdly, yes, this is a testimony to the fact that God is alive and that the Holy Spirit is real, the Bible trustworthy, and all God's good promises are trustworthy.

A last remark: go and write your own book of remembrance - write what God is doing in your own life and through you - go and write your own God-story - be diligent in it - read back every year what you wrote about what God has been doing in the last year. You will not be disappointed.

BOOK REVIEW: ESTÉ GELDENHUYS

What a delight it was to page through this book!! Thank you for allowing me the "pre-read"!

The One in Whom we believe, Almighty, Living, Creator God, is all powerful, He knows all and He is capable of things we cannot even come up with.

As I read through one example of His love and care and might after the other, I realize how important the things are that the Word teaches us – those who overcome, will overcome “because of the blood of the Lamb, and because of the word of their testimony.” (Rev 12:11)

This is what this book is about – a TESTIMONY to the goodness and care, Godly timing and faithfulness of the Everlasting in Whom we believe. Thank you for sharing it all – from High School experiences, through to the courage of starting a ministry, to the testimony of so many co-workers, giving report of this One Living and all giving God of LOVE but also God of POWER – One Who knows where He is going with all people groups, every nation and every tribe on earth.

Thank you for everybody who had the courage and enthusiasm to share your part of victory in Christ as you did. And for those who are about to read this – the content cannot leave you unchanged! Allow the living God to speak into your heart while you read through it.
